An IP Honorary Member

In the second interview of the VIPP ABPI series, we spoke with Luiz Leonardos about the Madrid Protocol, artificial intelligence, the BPTO's autonomy and other relevant topics to the history of Intellectual Property.

For Claudio Furtado, the BPTO is fully prepared to comply with the maximum period of 18 months for the international registration of trademarks established by the Madrid Protocol.

The Normandy Landing

The operation set up to solve the patent backlog problem and give the BPTO the efficiency of a private company is one of the main fronts of the new management.

Interview available on the podcast ABPI Cast (audio only portuguese)

The post-backlog home office

The BPTO has a plan to transfer 50% of its 900 employees currently allocated at its headquarters in Rio to their home states. Those selected by the program will be able to work from home with defined goals and standards.
