## **ABPI's President wants to show the world the progress of the Brazilian IP system**

Luiz Edgard: we are not against changes in the BPTO, which can even enable improvements that bring efficiency and features of private management.

## **BPTO president rules out extinction of the entity**

Cláudio Furtado: The extinction of the BPTO would be a contradiction to what we are doing to improve services, such as fighting backlog and our accession to the Madrid Protocol.
